Mrs. Sudbury's Class Collects the Most Box Tops

Congratulations to our winning class --Mrs. Sudbury's class -- for collecting over 1600 Box Tops this year! AWESOME JOB! They get to choose either an ice cream or pizza party for their efforts! Please keep collecting for next year. WAY TO GO EAGLES!

Monday Deadline for Yearbooks

The FINAL deadline for ordering a yearbook is this Monday, April 26. You may order online at jostensyearbooks.com. The price is \$25. If there are still books after Monday, they will be sold the last day of school on a first-come, first-served basis for \$30 cash or check only. Don't wait or you may miss your opportunity to get the 2009-2010 yearbook!

WHAT'S UP AT WASHINGTON

Teacher Talent Show

Start your weekend off with fun! **Friday, April 30th**, at **7:00 pm** is our first ever **Teacher Talent Show** to help support **Relay for Life, an American Cancer Society fundraiser**. You will experience poetry readings, piano playing, comedy,

band acts, and much more. During the night, you can vote for your favorite act with coin donations. A raffle will be available to enter for a chance to throw a pie in someone's face. A suggested donation for entry is \$2.00 a person or \$6.00 per family.

The Colors of America

Many of our 3rd and 4th graders have art on display in the *Respect Diversity Symbol Exhibit*. Classes collaborated to create *The Colors of America*. It is a collection of poems and drawings that represent what makes us American. To see this work of art along with many others from across the state, visit the *Science Museum Oklahoma (Omniplex)* in OKC. The show runs through **May 13th** and is located in the *Naval Gallery*.

HEALTHY LIFESTYLE THOUGHTS

Staying healthy and staying safe go hand in hand, so developing a healthy lifestyle requires attention to safety "where we live".

Since so much of our lives is spent in an automobile, we'll start with these four key safety points.

1. Restrain your child on **every** trip, **every** time.
2. Keep your child in the **back seat**.
3. Use the **best safety restraint** for your child's size.
4. Use the child safety seats and belts **correctly**.

For more detailed information about automobile safety, go to www.research.chop.edu/programs/carseat/index.php. Home safety includes many aspects and a good source for information is www.hud.gov/healthy/index.cfm And finally, this is the time of year to brush up on weather safety here in Oklahoma. Check out the information at www.srh.noaa.gov/oun/

Wishing you good health and safety!
