# **Partial Immersion French Program**

### ***Starting in August 2012!***

- Reagan Elementary will host a Partial Immersion French Program starting in August 2012. The program will be implemented in one kindergarten class and one first grade class. There will be spaces available both to students who live in the Reagan attendance zone and to students who reside within the NPS boundaries but who have a different home school. French has been selected due to a partnership with the University of Oklahoma's College of Education, which has a collaboration project with a French university.
- *Any parents interested in submitting an application for their current pre-k or kindergarten student will need to attend one Parent Informational Meeting.*
- More information on the program can be found via a link on the Norman Public School home page.
